Register for an account number with UPS

If your UPS account doesn't have an account number associated with it yet, then you need to register for one.

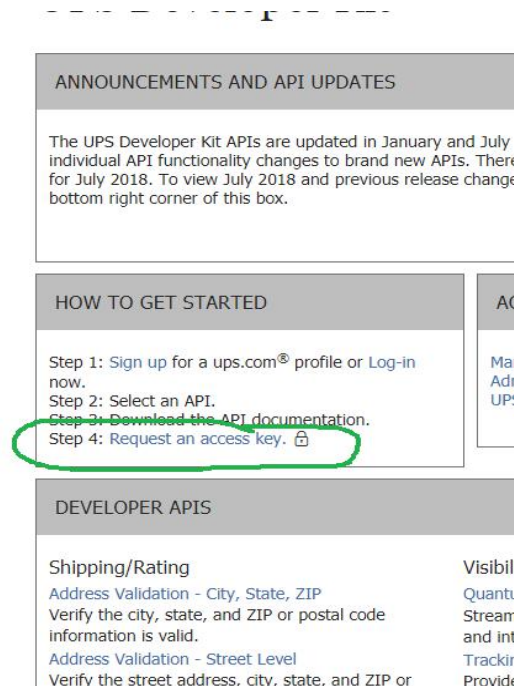

Steps:

1. Log in to your account at <https://www.ups.com>
2. From the account menu in the top-right corner of the page, select **Payment Options**.
3. From the **Add a payment method** menu, select **Add new account**, and then click **Add**.
4. Select the address that you want to register with, and then click **Next**.
5. Enter your answers for the questions about your shipping profile. You can now enter your account number to connect your UPS account.

Note: You can also contact UPS directly to register for an account number.

Requesting for a UPS Access Key

1. Log in to you account at <https://www.ups.com/upsdeveloperkit>
2. Choose **request an access key**.

The screenshot shows the UPS Developer Kit page. The 'HOW TO GET STARTED' section is highlighted, and Step 4, 'Request an access key', is circled in green. The page also includes sections for 'ANNOUNCEMENTS AND API UPDATES' and 'DEVELOPER APIS'.

ANNOUNCEMENTS AND API UPDATES
